Aims and objectives

What are your aims and objectives in providing the regulated activities and locations shown in part 3 of this statement of purpose

Our approach to healthcare:

At Dipton Surgery we are committed to providing high quality, personal care for our patients and their families

We aim to:

- provide patients with medical services that are easy to access
- treat patients and their families with courtesy and respect
- work with patients, their families and others to make sure everyone gets the care & support they need
- liaise with our patient forum and community as a whole to help us to improve our services
- provide ongoing training and development for our staff
- use NHS resources responsibly to meet the needs of all of our patients
- deliver services in a clean and safe environment, promoting high standards of health and safety
