

## **Oakfields Health Group**

### **Vacancy for salaried GP with Oakfields Health Group (Oakfields Health Centre & Dipton Surgery), including potential for partnership Permanent contract 6 – 8 sessions, inclusive of 1 admin/development session Competitive salary plus indemnity**

This is an excellent opportunity, to join an expanding team, at dynamic and forward thinking semi-rural practices, based in excellent purpose built premises. There is easy access to both practices from Newcastle and Durham

#### About us:

- Currently 4 GPs, 3 Nurse Practitioners and 4 Practice Nurses
- Growing list size serving circa 7,500 patients
- Excellent Dispensing service at Oakfields Health Centre
- Paper-light SystmOne practices
- Maximum QOF & Enhanced services achievement
- Consistently high patient satisfaction

#### Benefits of the post:

- 6 weeks annual leave plus up to 1 week study leave (pro-rata)
- Nurse Practitioner/prescribers involved in daily telephone & minor ailment clinics
- Excellent nursing and HCA team with Nurse specialists managing chronic disease
- Friendly & efficient admin/reception & dispensary teams, headed by an experienced management team
- Regular weekly clinical/quality meetings & monthly protected learning time available
- Active involvement with Durham CCG, Derwentside Healthcare Federation & Derwentside Primary Care Network
- Progressive approach to primary care with a willingness to support development of special interests that dovetail with the practice business plan

#### About you:

- Committed, motivated and enthusiastic team player
- Ambitious, innovative and keen on driving change
- Excellent communication and interpersonal skills
- Will be required to take lead responsibility in an agreed area

Please send CV's and cover letters via post or email.
